

MELTON MOTOR SPORTS CLUB MOONLIGHT MEANDER 1986.

Well, how did you all survive the Moonlight Meander? A bit wet, a bit slippery but I'm sure you all had a great fun night of rallying.

Unfortunately the 45 degree heat wave that was on the way for the event had it's day off on Saturday so it sent it's mate the rain to fill in for him, although it did manage to go away while the event was on the road.

I would like to thank all the competitors for supporting the event and making it a success. To the winners, a great job done and to the DNF's - come back next year and get the benefit of the whole event.

Thanks to all the officials, and helpers that made the event happen on the night.

Enclosed with these results is a survey sheet on the clubman series and rallying in general. It would be greatly appreciated if ALL CREWS could PLEASE fill in one of these forms and take the time to send them back to myself (if you have not already done so) . This survey is in your interest and the future of rallying.
