Dear Competitor,

Enclosed are the Provisional Results for the Shamateur 1 Rally.

As I stated at the Director's Briefing the event was designed as training event for Grade 4 competitors and the result, for me, was very pleasing.

The fact that there were no monumental "offs" and we had an 84% finish rate was excellent and a credit to all of you. Congratulations Drivers!

Navigators also did well; it appears that nearly everybody followed the intended route without too much drama. However, there are two points I'd like to bring up:

1. INFORMATION should be written on the back of your road card. We know a number of you went where you were supposed to, but you didn't write down the info to prove it!
2. NOMINATED TIMES: Some of your mental arithmetic is terrible! Navigators should make a practice of nominating due time on all sections and please calculate this time accurately! Most crews were not affected as they nominated wrongly on competitives where they were late anyway, but a few booked in early on transports.

Don't forget what I said at the start, if you made a blue work out what you did wrong and try not to do it again! If you can't work out what went wrong give me a ring and I'll try to help.

The event ran smoothly on the night and this was due to hard work by a number of people. I'd like to thank a few: Assistant Directors Stephen Allen and Dean Jeeves; Course Checker John Armitage; Margaret Hardy, Marie and Leanne in the L.C.C.A. office; Key Officials Bruce Keys, Geoff Floyd, Chris Jones and Simon Brown; Scrutineers and Sweep Car John and Denise Ellis; Bill Bennett and David Jones of Melbourne Suspension; Nerida Williams and Linda Clarke for help at the start; Stuart and Helen Lister for help at the finish; Jack and Paula Spiewak at the Bullarto Store; Mr. Ferris who lives near Fingerpost Corner and provided the firewood at the finish and of course all the Control Officials who braved the cold night. Without all of these people the event would'nt have been the success it was.

We hope you enjoyed the event as much as we enjoyed putting it on for you.
