CCRMIT GEORGE DERRICK MEMORIAL RALLY

WELCOME

This Event is the premier event of the Car Club of RMIT Inc and will be based in Boisdale, 220 kilometres east of Melbourne. CCRMIT is proud of its heritage with this being the 60th annual running of an event honouring the clubs founder, RMIT welding lecturer, **Mr George Derrick**.

Competitors of both the VRC and VCRS will enjoy a variety of forest stages that will demand skill to tackle the driving surfaces and conditions.

The event would like to acknowledge and thank all the people and organisations that have contributed to making the rally possible, including the local authorities, DELWP, Wellington Shire, and the Victoria Police. Also the many volunteers from inside and outside Car Club RMIT who are giving up their time to allow this event to happen.

SAFE SPECTATING

1. Spectators are directed to view the cars whilst standing within the markers indicating the limits of the controlled spectator area – spectating outside those areas indicated is prohibited.
2. The instructions of the Spectator Marshalls must be obeyed. The Spectator Marshall has the power to have a stage postponed until the spectators point is controlled to his/her satisfaction.
3. Cars under competition conditions can lose control and leave the defined road at any time. Do not stand in any areas which are not authorised or which are contrary to the advice of the organisers and officials/marshals.
4. Be prepared. Weather wise, bring hats, ground cover, sunscreen and protection in case of rain or cold weather.
5. Park your car sensibly so that it will not obstruct emergency vehicles, competitors, service crews or other spectators. In all cases obey parking instructions given by the supervising officials. It is usually best to park your car facing the way out.
6. Do not try to emulate rally drivers. Remember that if you give cause for complaint it will reflect badly on the rally and the sport as a whole. Drive carefully both to and from spectator viewing areas, and be ready to give way if necessary on narrow stretches of road.
7. Do not light fires or smoke in the forest. Do not smoke near a car that is being serviced or refuelled.
8. Take your entire litter home with you – it is handy to have a bag or carton in your boot. Cans and paper do not help beautify our forests.

howsoever arising from your participation in or attendance at the Motor Sport Activities;

to indemnify and hold harmless and keep indemnified CAMS and each of the Entities to the maximum extent permitted by law in respect of any Claim by any person; and

to attend at or participate in the Motor Sport Activities at your own risk.

NOTE: The change to your rights, as set out in or on this sign, does not apply if your death or injury is due to gross negligence or reckless conduct on the supplier's part. "Gross negligence", in relation to an act or omission, means doing the act or omitting to do an act with reckless disregard, with or without consciousness, for the consequences of the act or omission. See regulation 5 of the Australian Consumer Law and Fair Trading Regulations 2012 and section 22(3)(b) of the Australian Consumer Law and Fair Trading Act 2012. "Reckless Conduct" means conduct where the supplier of the recreational services is aware, or should reasonably have been aware, of a significant risk that the conduct could result in personal injury to another person and engages in the conduct despite the risk and without adequate justification.
