# PORTER'S PAINTS LONGEST NIGHT RALLY

## RESULTS

Congratulations to all crews that persevered through the fog and managed to get to the finish. I must admit that the degree of difficulty of the event skyrocketed when the fog came in, but some crews still managed to clean-sheet sections.

The reason for the late publication of these results was due to a control card that had supposedly been posted, but went missing for some time. The card has now appeared. Provisional results were posted on the HRA web site and also e-mailed to those that I knew their e-mail address. My apologies to those that may have been missed the first time.

The following awards, as long as there are no protests, will be presented at the next HRA meeting on Wednesday 9th August. The meeting is held at the Caulfield RSL, 4 St. Georges Rd, Elsternwick. The meeting starts at 8.00pm with the presentation expected to be at approx 8.30pm. If you wish to arrive earlier and have a meal or socialise, the venue is open from 6.00pm.

## SUMMARY

With an event this size, there are many people and businesses needed to ensure that things run smoothly.

First and foremost is the event sponsor, for the FOURTH year in a row, **Porter's Paints** ~ Thanks Kim.

A big thank you to the crew at the Westmeadows Tavern for the great food and friendly service.

The management & staff at the Shell 'C' store, Kangaroo Flat and Mobil Roadhouse at Seymour.

Peter Fraser	- Assistant Director / Officials setup.
Steve Irvine	- Assistant Director / Chauffeur / Event setup.
Sue Nicholas	- Competitor Liason / start control.
Mark Besley	- Course Checker.
Diana Perkins	- Event secretary

Probably the biggest thank you (unless you got a W.D.) must go to all the control and passage officials who, in some cases, spent all night out in the cold.

Book In - Liz Sleeman / Heather Griffiths  
Start/Control 1 & 2 - Jim Webster/Jacquie & crew.

What a supporting cast! Without all these willing volunteers, there would not have been an event. Please thank them when you next see them.

The results are presented in outright placing order so that you can see at a glance how you fared.

**Notes to the scores:**

The underlined items mean that something close to what was required was written in the space. This scored zero.

The items in brackets were written in the wrong place on the road card. These scored zero. A few crews would have placed a lot higher if they had written them correctly.

Rather than give a complete run-down of each Via, I can give explanations at the trophy presentation.

If you cannot get to the presentation and want to know anything about the scores, please phone me on 9759-6794AH or email [navigator@globalfreeway.com.au](mailto:navigator@globalfreeway.com.au)

Thanks for your attendance at the event and I look forward to seeing you at the trophy presentation.

Phil Nicholas
