NOTE: This is for Representations or for scrutiny under pre-arrangement with the Director. Crews will need a very good reason not to attend mid-week scrutiny.

COMPETITORS BRIEFING

There will be a briefing for all competitors at the start at 2.00 p.m.

STICKERS

The Directors will be providing door stickers for both front doors and competitors will keep these areas free for this purpose. Event sponsors' stickers will also be provided and competitors are requested to affix these also in conspicuous places on their cars.

NOTE: The river flat forests are very much at the whim of the weather. With a bit of moisture they become very slippery and treacherous. With more than a bit, they submerge. Fortunately, they dry out very quickly.

We are still however very much under the control of the weather, rain on the Friday and Saturday in any copious quantities will mean postponement. Rain on Thursday only - we should be O.K. If things are dicey a decision will be made by 10.00a.m. on Saturday.

The Directors will be staying at the Big River Motel in Echuca, the phone number there is (054) 822522. If there is any doubt in your mind, please ring for confirmation one way or the other, leaving your name or car number so that we know that you know.

If this causes inconvenience we are truly sorry, but do not blame us, blame the bloke upstairs with the watering can.
