

HONDA CAR CLUB OF VICTORIA

HONDA SCAMPER '79

ROUTE INSTRUCTIONS

Dear Competitor,

Thank-you very much for entering the Honda Scamper '79. We hope you enjoy the event.

We apologise for the early bitumen sections, but gravel roads in certain shires at this time of year are hard to come by.

You will be issued with the second half of your route instructions at the "out control" at the end of the half-way transport section.

Let us take this opportunity to remind you again that petrol is not available at the finish, the near pump petrol is some 55K from the finish. Please see that you have sufficient, and don't forget to "top up" at the half-way fuel stop.

Hope you enjoy the event - don't "bend it", keep it all nice and straight.

Jim & Geoff

CONTROL 1

COMPETITIVE.

'Gateway to Heaven'
