

JIM MAUDE MEMORIAL - RISING SUN TRIAL 1995

CREW BRIEFING SHEET

Before starting this event, I wish to remind you of the person to whom this event is dedicated. **Jim Maude** was a local identity of Heathcote, being Shire of McIvor President at one time, so it is with pleasure that we celebrate today, his memory in an event in his "backyard".

He was a great personality in rallying about whom many tales revolve and one of the top navigator/co-drivers in Australia. He will always be remembered fondly by those who knew him and should be a name perpetuated in rallying in Victoria for his service to the sport.

SERVICE CREW REGISTRATION

In order to take advantage of CAMS insurance, all of your service crew personnel must be registered on the sheet provided.

COURSE OBSERVATION

During the daylight, your progress through each stage will be monitored by **visual route checks**. There will be no need to stop at these points.

During the night stages, **observation boards** may be placed at specified Via points and must be recorded on the back of your road card. These will be preceded by an "O" board. You will not have to stop at these points. In addition there will be **Passage Controls** at which you will be required to stop and the back of your road card will be signed by an official. These will be preceded by a "P" board.

CAUTIONS

During daylight, points requiring caution will be marked with a Δ and a severity board for !! and !!! points. ! will generally not be boarded.

During night all points requiring caution will be marked with a Δ and severity board where required.

The boards will be placed at an appropriate distance before the hazard for visibility and for action to be taken.

ADVISORY ARROWS

Arrows will be placed to indicate required turns and also to indicate "out of character" hazards which will need extra care.

GENERAL ADVICE

FOLLOW THE MAIN ROAD. This event will not use tracks. Just ignore them!

START

At your designated start time go into the official inside the roadhouse to get your card. The route chart starts at the northern driveway exit to the roadhouse, heading North. Please keep the driveways clear for use of paying customers.

To start Division Two, ascertain your start time and report to the official inside the roadhouse again. **It is your responsibility to get your card at the correct time.**

Have a very enjoyable afternoon and evening and join us at the finish.
