SATURDAY 30TH MAY 1998

**ROUND 2 - VRC
(Round 2 ARN Junior Challenge)**

Official Results

Dear official / sponsor / competitor,

Round 2 of the VRC, the Strzelecki Stages is over and with the positive feedback from the town and competitors the organisers are enthusiastic to tackle next year's event. If you have any comments in regard to any matters that would help to improve the event or any aspects you would like changed, please let one of the organisers know.

At this point I would like to thank the largest group of people involved in the rally the officials, for all of you who generously gave up your time for the rally, thanks!

Another integral part of the event's success was the effort and support put in by the organising committee and key personnel before, during and after, again to all of you, thanks!

To our sponsors – Tyreseal, Airtex, Ship Inn, Liza Tyres, Pistons Auto, D.P.K. Signs and Teksupport, thank you for contributing to the event and I hope the competitors will recognise your contribution and support you in return.

Finally to those who competed in the event I hope you enjoyed it. Congratulations to the winners and to all who finished and commiseration to those unable to make it to the finish. I look forward to seeing you at the awards presentation and next year's event.

Alan Mackay
Clerk of Course

Note to all competitors:

The Rally of Melbourne (29 & 30 August 1998) will be run, as calendared, as Round 4 of the 1998 Victorian Rally Championship. Following careful consideration and taking into account wishes of competitors it has been decided that the unique two heat format of this ARC event will be incorporated into the VRC as follows:

- It will be run as two separate events with competitors scoring an average of their VRC placing for the allocation of final points for the weekend.
- Thus a competitor who comes 3rd (12points) in Heat 1 and 4th (10 points) in Heat 2 will score 11 points overall for the event towards the VRC ($12 + 10 = 22$, divided by 2 = 11)
- A competitor who fails to finish Heat 1 and places 4th in Heat 2 will score 5 points
- Similarly a competitor who finishes 1st in Heat 1 only (20 points) will score 10 points overall
