

FORD WINS AGAIN

OUTRIGHT WINNER BP RALLY

(Official provisional results, subject to confirmation)

Ford Cortina was first outright . . . for the second year in succession. Ford's outright win adds yet another laurel to its unmatched record in trials, races and rallies. In the past 12 months it has won more of the major events than any other manufacturer. These successes demonstrate Ford cars' unequalled combination of strength, reliability, power, braking, road-holding and economy. Ford cars compete to test this combination; they come out on top because of it.

Ford's unmatched list of successes in the last 12 months include:

1966 BP RALLY	Cortina
1965 BP RALLY	Cortina
1965 ARMSTRONG 500	Cortina
1966 MOBIL ECONOMY RUN	Falcon
1965 TOTAL 500 CHAMPIONSHIP TRIAL	Falcon
1965 ALPINE TRIAL	Falcon
1965 THORNLEIGH 500 CHAMP'SHIP TRIAL	Falcon
1965 VICTORIAN TRIALS CHAMPIONSHIP	Cortina

In addition, Falcon also earned the title 'Australia's Durability Champion' because of its amazing achievement in the

70,000 MILE DURABILITY RUN

and Falcon won Wheels Magazine's top award:

AUSTRALIA'S "CAR OF THE YEAR"
