

Dear Competitor,

Attached for your information, are the detailed, control by control results of the 1984 Ye Olde BP Rally. As no protests were received against the provisional results by February 17th, 1984, these results are now final.

However, in consequence of both a careful recheck of all official documentation and of representations made to the Directors, a number of scores have been corrected. In general, these corrections do not affect any leading scores or prizes (other than the team prize). The following corrections warrant highlighting.

Car 68 (Gary Spence/Tony Cox) had their late penalty for Control 11 reduced from 18 to 5 points. Consequently, they are now seventh outright and their intermediate placings at Wangaratta, Rochester and Swan Hill are much higher.

The scores for the maintained average speed Section 21 have been recalculated. The official time for Control 20 to Passage 21A is 9 minutes (allowed 8 - 10); Passage 21A to Control 21 is 16 minutes (15 - 17) and, if the passage was missed, 25 minutes (24 - 26) for the section. In general, this has resulted in a 1 point penalty reduction for a number of crews.

The scores for Car 27 (Len Shaw/Tony Walsham) were incorrectly totalled for part 1 of Division 5 and they were penalised 30 points too many. Their corrected outright placing is now 19th.

Car 13 (Trevor Stanley/Tony Bond) had the 20 points penalty for missing Passage Control 64A deleted. This now makes them 14th outright.

Car 7 (Ken Cusack/Simon Brown) were classified as finishers in 47th outright place.

Car 55 (Chris Wall/Trevor Boyd/Jim Maude) was nominated in two teams - "Hairy Crews" and "Bendigo LCCA". The scorers at Rochester used their discretion and placed Car 28 (presumably in deference to Tom Cox) in the "Hairy Crews" team. However, this was found contrary to the desires expressed by the "Hairies" both prior to and after the event. Therefore, Car 55 has been reinstated into the winning team in place of Car 28.

You are invited, once again to attend the Presentation which will be held at the Light Car Club of Australia on Wednesday, March 14th, starting at 8.30pm.

A number of special awards will be announced during the Presentation.

EVENT DIRECTOR
