

BP - BE PART OF IT

MAY 9 - MAY 11

OLD BP RALLY-PRE EVENT BULLETIN 4

All is in readiness for the HRA 2013 Old BP Rally.

45 entries have been received and balloted.

13 have taken advantage of newcomers discount and 4 have taken up the under 35 years of age discount entry.

The start is at The RACV Country Club Healesville, 122 Healesville-Kinglake Rd, Healesville. To find coming from the city, take the B360 Maroondah Highway into Healesville. From the BP refuel on the right, go 0.55 km keep left on Old Lilydale Rd and C724, go 0.28 km keep left on C724, go 0.90 km turn right into gateway of RACV Club Healesville, then take first turn right to the lower car park. It is not possible to park any closer to the start control.

The BP route is traditionally very much a secret up until instructions are handed out. Service instructions which include opportunities to see the crews in action will be posted on the HRA website by 6.00 pm on Thursday 9 May.

Conditions are very dry at the moment across most of northern and western Victoria. Some moisture at the right time would be welcome, but not a lot immediately prior to and during the event. We will watch the forecasts closely.

See the cars as they leave Benalla (Friday morning), Shepparton (Friday lunch), Mildura (Saturday morning) and arrive at Ballarat very late Saturday night.

The HRA website will have all the service and spectator instructions on Thursday May 9 after 6.00 pm
