Dear Peter,

**Re Round One 1993 Australian Rally Championship
March 13/14 1993**

We will be conducting the opening round of the 1993 Australian Rally Championship in Melbourne next year. The event will begin in Melbourne and the larger portion of the event will be in the Healesville Toolangi area.

We are currently in the process of securing a suitable venue for our Rally Headquarters and a recent discussion with Mr Trevor Barker from your Healesville office indicated that this may be able to be used.

Rally Headquarters (ie Healesville office) will not be open to the public and would be utilized in the following manner

1. Command Centre for the running of the rally
2. Media Room and facilities for selected Media persons
3. Radio communications network control room
4. General Administration

This would be manned at all times over the Saturday and Sunday of the rally.

We would be supplying the command centre with six computer terminals, two photocopiers and our radio equipment. The location of your Healesville office is ideal and would suit our requirements perfectly to ensure smooth running of the rally. We would like to discuss with you further the use and the costs associated therewith of your Healesville office.

If you have any further queries regarding the rally please do not hesitate to give me a call.

Yours Faithfully

Glenn Cuthbert
Clerk of Course
