

LONGEST NIGHT RALLY

Its on again! After last year's success we are at it again. Another night of searching the countryside looking for those elusive roads that look so obvious on the map.

The event will follow the same format as last year with a meal at the start and finish (Club Hotel, Ferntree Gully) with two breaks at roadhouses along the way.

The roads used in the event will be kind on vehicles and this event is an ideal one if you are just getting started in Historic Rallying.

The event is untimed with an accent on accurate navigation, but without getting you totally lost. We will again not be using any forest areas just to make it a bit easier on the car and crew.

The event will use approximately 70% bitumen roads and the rest being mainly good gravel. The roads can readily be traversed using a standard Mini but I would not recommend using a low 'cafe racer'.

We thank our sponsor, Porter's Original Paints for their generous support. Porter's can be found at 167 Gertrude Street, Fitzroy or 9 Almeida Crescent, South Yarra.

Porter's stock a wide range of Lime Wash and old style paints.

If you have any queries please contact me on 03 9759-6794.
