Advice: The directors have planned a half-hour
lunch break at the White Swan Cafe in
Lismore, however there is sufficient time
allowed that you can take a break at any
convenient point along the route.

An additional half hour has been allowed for
voting - if you wish at the Lismore Primary
School. Ask for directions at the White
Swan Cafe.

Please travel quietly in the more populated
areas of this section (particularly before via
9).

Instructions for Sunday Assembly

Division Start -

The start control is located at Ian Judd's Autopro Store in Camperdown. His store is located on the corner of Princes Highway and the Camperdown Lismore Road.

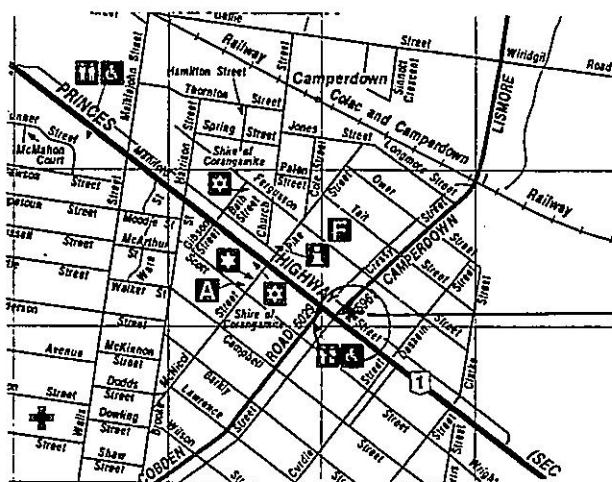

Allow a minimum of 40 minutes to travel from Colac to Camperdown. Control will open at 8.00am.

Instructions will be available from 8.45am.

All crews must report to the start half an hour before their due starting time at which time the day's route instructions will be made available. Starting times will be published at the dinner.

Camperdown Apex will be on site to provide breakfast - I am sure all competitors will support them and help with their fund-raising efforts.

There will be a judging of all vehicles by local dignitaries for the judged best presented car.
