

LIGHT CAR CLUB OF AUSTRALIA

BALLARAT BRANCH

24th March, 1987.

Dear Competitor,

Thank you very much for competing in the Bob Jane T-Marts Novice Trial. We hope you enjoyed the night and learnt something about rallying. To those people who followed the horse trial arrows, we offer our comiserations and hope that you scored well in their event.

Congratulations to JAMIE and GEORGE Adams on an excellent win. The team thoroughly deserves their new Grade 3 Status.

A word of warning. Many crews showed little regard for the correct procedure at the end of transport sections. You must stop at the "M" Board and enter on foot (Unless you are late). You can expect to be penalised for arriving early in your next event.

A presentation will be held at the L.C.C.A. Annual General Meeting on the 31st July, 1987 at the Ballarat Club Rooms. Please note that these results will become final if no protests are received by April, 10th.
