1-3
1-2
1-2

2

Advice:

1. The gravel in this section is really slippery and the trees and banks are just waiting to damage crews that try too hard. Tell your driver to Use Caution
2. Nolan Creek Road is a little rough for about 1.2 km after Via 2.

SECTION 7

COMPETITIVE

Via 1: MRJ 586 528
Entry from the NW
INFORMATION REQUIRED

Via 2: MRJ 597 489
Entry from the N

Control: MRJ 612 463
Entry: from the NNW
Distance: 23.1 km Time: 19 minutes

8.02
-19

8.21

- Advice:
1. This Section is a little rough in spots - Drive Accordingly.
 2. Navigators - there is alot more on this map than just intersections and distances. Road hazards and tight corners can also be read from the map - tell your driver what you find!
 3. Spectators may be encountered at Via 1.

SECTION 8

TRANSPORT

Via: the following route chart
CAUTION 2 WAY RALLY TRAFFIC

0.00	0.00	TR & FMR <u>START QUIET ZONE</u>
1.67	1.67	TR into Control <u>END QUIET ZONE</u>

Control: MRJ 600 450
Entry: from the NE
Distance: 1.7 km Time: 4 minutes

10 26

Advice: Fingerpost Road is a bit pot holed in the early parts.

Congratulations on reaching the end of the Shamateur 1 Rally.

We hope you have enjoyed yourselves and if you have made any mistakes make sure you profit by them!

Please park your car on the LHS of the area and join us at the BBQ.

The Directors
