

COMPETITOR RELATIONS OFFICER REPORT

SATURDAY 18 MARCH 1995

The Competitor Relations Officer was in attendance at Headquarters before and after Leg 1 and also at the start, both regroupings and the end of Leg 1 parc ferme, as per the published schedule.

There were very few queries during the day and these were all satisfactorily resolved.

All competitors appear to be enjoying the choice of roads and the challenge of using safety notes.

A large, stylized handwritten signature in black ink, appearing to read 'Jim Scott'.
