

# Rally of Melbourne

## COMPETITOR RELATIONS OFFICER REPORT SUNDAY, 6 MARCH 1994

The CROs were present at all locations listed on their schedule with the addition of their presence at Post-Event Scrutineering. Once again an easy day for the CROs with few queries which were all satisfactorily resolved.

We would like to place on record the very favourable comments expressed to us by the competitors on the quality of the rally. This encompassed the excellent choice of roads, the quality and accuracy of the Route Book, and the friendliness and competence of the marshals and officials.

On behalf of Bob and myself I would like to thank Glenn and his team for the assistance they have given in helping to resolve competitors' queries.

Finally, thanks to all those present for your assistance and advice.

Bob Fraser
