OFFICIAL RESULTS

The Provisional Results published at 1915 hours on 15 March 1981 at Rally Headquarters were declared final at 2015 hours on the same day, there being no protests received by this time.

However, competitors may not be aware that there was a computer malfunction on that day. Therefore some errors have since been discovered. These concern the score for car 19 on Special Stage 1 and the award of the prize for Group 2. We apologise sincerely for these.

Additionally, several competitors did not collect their results from us. The results are re-printed to overcome this.
