November 24 1982

Dear Competitor,

Thank you for competing in the 1982 ARCO Alpine Rally, the Organising Committee sincerely hope you enjoyed the event.

Congratulations must go to the winners, Geoff Portman and Ross Runnalls on a splendid performance not only in this event but throughout the entire year's A.R.C. competition. They are indeed worthy champions.

Special mention should be made to the event's sponsors, firstly Mr. Lee Seaton of Formula One Automotive in Melbourne. Lee is the Victorian Distributor for ARCO-Graphite Oil Products and it is through his generosity and willingness to see the Rally continue to grow in stature that we were able to bring you the event.

Not only ARCO, but to all our minor sponsors, such as Autosport, Hella, John Cawsey & Co., Rallyquip, W.L. Ryan & Co. Pty. Ltd., Manns of Wodonga, Rip Off Motors, Berger Paints, Castrol, Pedders Suspension, 2AY Radio, Stuckey Tyre Services, Tidy Car, Paul England & Staff Pty. Ltd. and Quadrant Suspensions, go our sincere appreciation for their efforts.

To the Beechworth Promotion Council, the various Foresters and Shires and catering organisations throughout the North Eastern Region of Victoria, we wish to say thankyou - you helped make the event the best "Alpine" ever!

There are many hundreds of people one should thank, however we would like to thank every control official, marshall, spectator official and to all the Car Clubs throughout Victoria who helped make the event the success it was.

The 1983 Alpine will be conducted over the weekend of 19/20 November - we certainly hope to be seeing all our friends in Bright next year.

Yours sincerely

ARCO

ALPINE RALLY

The Rally started under ideal, albeit dusty conditions, at 9.00 am on Saturday, November 20 with a two lap blast around the Bright Dirt Circuit. It was here that Ed Mulligan showed the superiority the Escort RS 1800 with the fastest time of 1.28, set a new record and a time which would not be beaten all weekend.

From Bright the Rally moved to Stanley Plantation where Portman and Carr were fighting out the lead, Hugh Bell not being far behind them. As the cars neared Beechworth, Carr slowed with differential problems and allowed Bell into second place.

After the one hour meal break, crews then tackled the Mt. Barrambogie and Mt. Pilot Forests before visiting Manns of Wodonga for the first time. A short service at Manns then the "Mickey Mouse" Stages, specifically designed for spectators, took place around the Albury/Wodonga area. After fuel problems Carr's Fiat dropped back through the field and Hugh Bell moved up to be only one second behind Portman at the Division End.

Dust and darkness took its toll on Saturday night in division three where the ARCO Alpine was won and lost - 100 metres out of the first Special Stage Start, Hugh Bell lost his high beam lights and was forced to drive the section without driving lights. This coupled with the thick dust enabled Portman to take a four minute lead when the crews returned to Bright for some well deserved sleep.

With Sunday and Division Four came the incredible charge of Greg Carr, making up some 18 places in 130 kilometres! As Carr moved through the field in the Merriang Plantation, Hugh Bell retired with water in the petrol, thus ending a potential second placing. Grade 2 driver Steve Ashton continued to astound most of the many thousands of spectators with a superb display of driving which earned him third outright at the finish. Portman ended up some 14 minutes in front of Shepparton's Doug Thompson with Steve Ashton some 40 seconds further back, then another four minutes back to Greg Carr.
